ONI DECLASSIFICATION/RELEASE INSTRUCTIONS ON
FILE

Mr. Matthew Baird
Director of Training
Central Intelligence Agency
2430 "E" Street, N.W.
Washington 25, D.C.

My dear Mr. Baird:

25X1A

The U.S. Naval Intelligence School is currently scheduling lecturers for its postgraduate course in Naval Intelligence. In a fundamental course, the general subject of methods and sources of collection is covered. It is hoped that the School may, as in the past, profit by the Agency's cooperation in providing highly capable speakers. Specifically, it would be appreciated if a lecturer could be made available to address the Postgraduate Class on Friday, 9 October 1959 (0930-1130) on the subject of "Sketching." This lecture is planned in conjunction with observation as a method of collection. [redacted] has, in the past, provided the School with a most talented presentation.

If this request is granted, details may be arranged by informal liaison with CDR L. K. Jordan, USN, who will coordinate this matter on behalf of the School. He may be contacted by telephone on code 1215, extension 458.

Sincerely yours,

L. T. LAYTON
Rear Admiral, USN
